

# Workshop Registration

The InfraGard Dayton Members Alliance is holding a Disaster Recovery / Business Continuity half-day workshop on August 19, 2010. Stephen Northcutt, president of the SANS Technology Institute, will instruct this course. This workshop will be based in large part on the SANS Institute's "Intro to Information Security – Disaster Recovery and Business Continuity Workshop" program that is currently taught by the SANS Institute. This course will cover the following subject areas:

- Business Continuity Planning
- Beginning the Process of BCP
- Risks & Business Impact Assessment
- Security Policy, Procedure & Strategy
- Exercise & Awareness
- Generating Documentation

Location: Wright State University's Nutter Center

Date: August 19<sup>th</sup>, 2010

Start: 9:00 am

End: 4:00 pm

Cost: \$150 for InfraGard members (\$200 for non members)

•Lunch and snacks will be provided

Registration is required. If you registered by July 31<sup>st</sup> you will receive \$25 off your registration. Payment is required at time of registration. All registrations must be in by 5:00 PM August 9<sup>st</sup>, 2010

To register please complete the following information and mail to 203 Johnson Trail Dayton, Ohio 45418.
